Adrienne C. James, Ed.D., Superintendent  
Frank A. Forsthoefel, Assistant Superintendent  
Beth A. Weber, Treasurer

August 5, 2014

To Whom It May Concern:

I am writing to express to you my recommendation of Four Seasons Environmental Inc., specifically Chris Rice, Commissioning Group Field Manager. Mr. Rice has been a critical member serving on my construction team and his responsibility for monitoring the installation of all of our major mechanical and electrical systems for the Maple Dale Elementary project. He was able to hold contractors accountable by spending countless hours in the field, providing commissioning reports, and identifying issues that could have been missed with a lesser agent in the field. He is passionate about his work and is dedicated to making sure the project installations are completed correctly. Due to the efforts of Four Seasons Environmental Inc. and Mr. Rice, we are continually meeting with HVAC contractors and others from our construction project in an effort to fine tune our systems. Their work is ensuring that the systems are operating as efficiently and effectively as possible, which translates to dollars saved on utility bills for the tax payers of the Sycamore Community Schools.

I highly recommend that you give strong consideration to Four Season Environmental Inc., especially if you are going to work with a professional commissioning agent such as Mr. Chris Rice to assist you with any future construction projects that would require commissioning services. He will work closely with you to ensure the success of your project and see it to completion.

Surrounding yourself with a strong team is critical to the success of a construction project. I can confidently say without hesitation that having Mr. Rice on my support team is beneficial to the overall functioning of my major mechanical and electrical systems and towards the completion of a major construction project.

Please do not hesitate to contact me via phone (513-686-1703) or via email ([lewisc@sycamoreschools.org](mailto:lewisc@sycamoreschools.org)) with any questions regarding this letter.

Sincerely,

Chad Lewis  
Director of Business Operations
