Four Seasons Environmental, Inc.
Mr. Reed Tarkington
43 New Garver Rd.
Monroe, OH 45050

Dear Mr. Tarkington:

I would like to take this opportunity to commend Four Seasons Environmental (FSE), and specifically Robert Stokes, for their efforts on the Vanguard-Sentinel CTC project. We were very pleased with the performance of Mr. Stokes throughout the course of the project.

Four Seasons was a wonderful partner with the school district as well as the other partners in our project, namely the architect, construction manager, the OSFC and sub-contractors. Bob received several notable commendations I would like to highlight:

- Worked in a professional manner with all parties involved
- Worked with our various contractors on site
- Worked very well with our construction management team
- Provided the needed paper work/documentation in a professional concise format
- Worked very well with our construction manager to get uncompleted work finished for our project
- Worked extremely well with our custodial staff and maintenance department to help them understand the components of the building.

I would highly recommend Four Season and Robert Stokes. I am grateful for his involvement with our project. Please feel free to contact me if you have any further questions.

Sincerely,

Gregory A. Edinger
Superintendent
