LETTER OF RECOMMENDATION

Subj: **Four Seasons Environmental, Inc.**

To Whom It May Concern:

Four Seasons Environmental has provided ongoing Facility Performance Services for the Milford Exempted Village School District since 2010.

- **Commissioning**

FSE has successfully commissioned two (2) new Milford Elementary Schools.

- **Retro-Commissioning**

More recently, FSE has retro-commissioned the Direct Digital Control Systems on all Milford Schools, including control sequence of operation changes.

- **Facilities Advisory Support Services**

Milford Schools continues to utilize FSE's Facilities Advisory Support Services to manage energy and resolve HVAC control issues.

Should a potential FSE client consider utilizing Four Seasons Environmental for any of the herein-described services, Milford Schools would strongly recommend consideration of Four Seasons Environmental.

Sincerely,

Jeff Johnson
Director of Business and Operations
